

Kingfisher 1000 Powercat

1000 Powercat

Versatile, Powerful.

Sedan and Centre Cabin

Inboards or Outboards

A 10.0m Fully Customable Catamaran

Game Fishing – Leisure - Touring

PDL Marine are proud to present the Kingfisher 1000 Powercat

The Kingfisher 1000 is truly a sight to behold on the water, Exceptional stability is achieved by the twin hulls forcing the buoyancy up and around the hulls rather than through the middle. A light yet very robust built vessel keeping you safe.

With the wide beam of the hulls it allows for a wide deck space and also offering additional load carrying capabilities and exceptional manoeuvrability. A genuinely great vessel.

As a larger build, the options are endless. Inboard options, open deck, fully enclosed hard top, teak decking. Your choice!

All aluminium is marine grade 5083 as would be expected and fitted with bunks, galley, heads etc.

For further information contact a member of the PDL team

Kingfisher 1000 PowerCat

Length Hull	9.35 m
Length (OA)	10.0 m
Beam Hull	3.80 m
Draft	0.5 m
