

8.5 Multi-purpose Landing craft

LC800

8.5mm high speed multi-purpose Landing craft.

An 8.5m Aluminium Multi Role Landing craft

Riverine and estuary work – Dive Support – Crew Transfer – Survey – film platform

PDL Marine are proud to present the all new LC800 Multi Role workboat.

Fitted with a wide array of equipment, this vessel is suitable for a multitude of tasks such as dive support, crew transfer, Riverine work, Survey and filming.

Whilst a relatively small vessel it packs quite a punch, happy cruising along at 25 knots with 2 crew and 6 pax and even has a film platform on the wheelhouse roof. Extremely manoeuvrable with the ability to turn in its own boat length.

Fitted with twin Diesel 150hp outboard engines helping to push the vessel to 30 knots, other engines are available if required.

The vessel is built to MCA category 3 standards.

Other equipment includes but not limited to:

Deck winches

Capstans

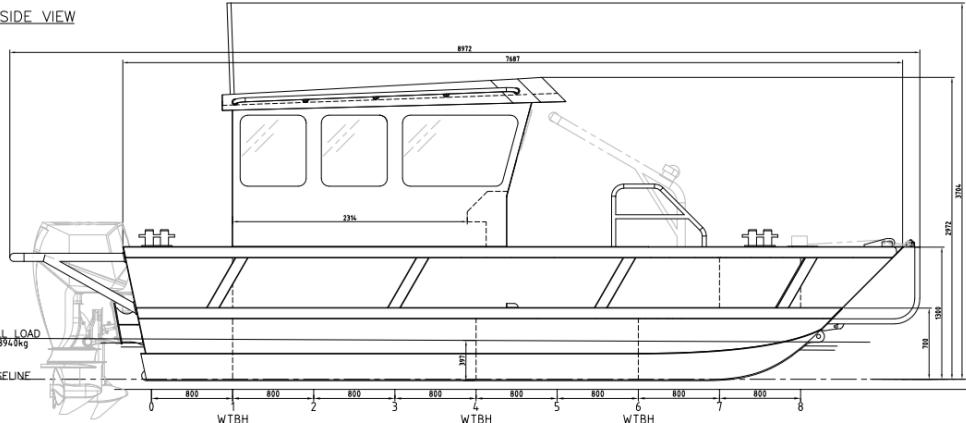

Galley

Seating and tables in the wheelhouse.
