

18 Multicat

MC18

18m multi-purpose workboat.

An 18m Steel Multi Role Workboat

Harbour Maintenance – Dive Support – Aquaculture - Support

PDL Marine are proud to present the 18m Multicat.

An exceptional vessel that bats way above its size , suitable for a multitude of tasks such a buoy maintenance, harbour works maintenance and support, survey work and dive support as well as the aquaculture industry.

The vessel can also be fitted with seating for up to 12 personnel for transfers in the superstructure if required.

A huge deck cargo capacity of over 80 tonnes, really does make this a formidable workboat.

Fitted with twin Doosan V158TIH engines helping to push the vessel along and provides bollard pull up to 15 tonnes and more if required., other engines are available if required.

The vessel is built to MCA category 2 standards.

Other equipment includes but not limited to:

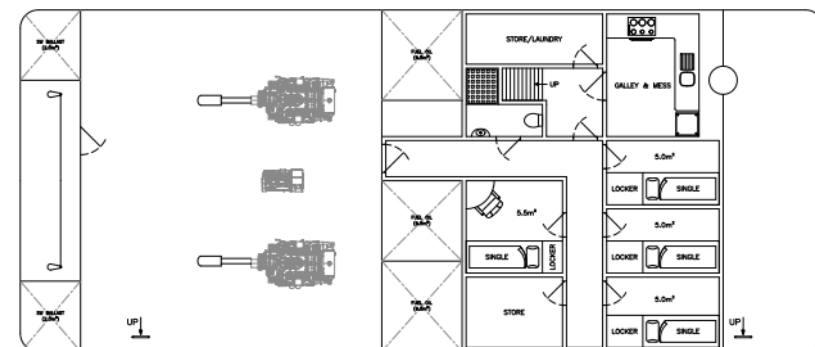

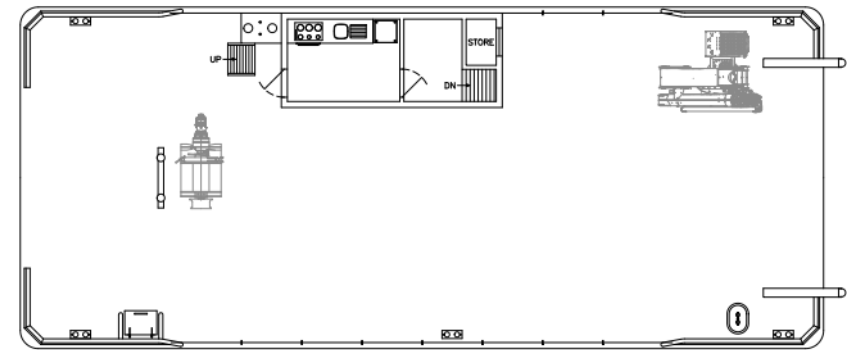

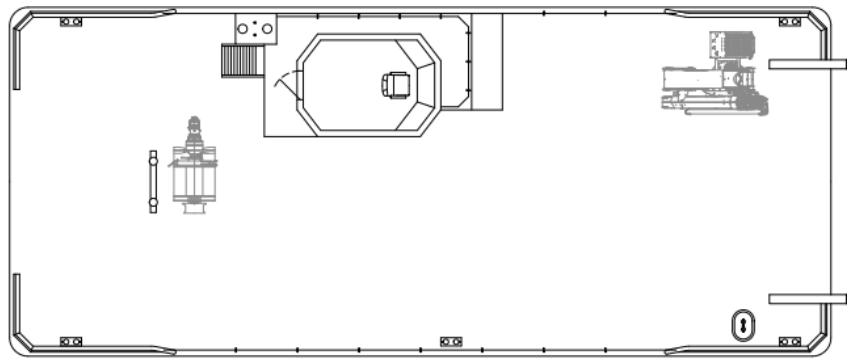

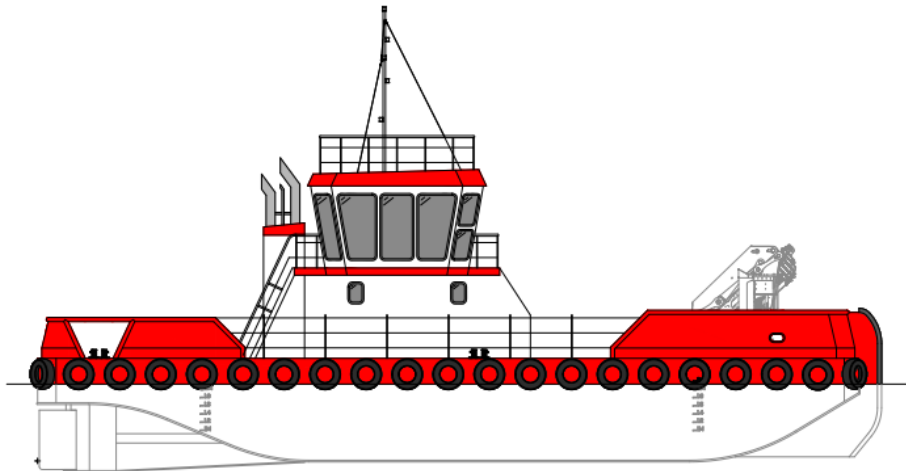

Deck winches, Capstans

10T Hydraulic A Frame

Accommodation and Galley available.
