

# 22m Multicat

## MC22

24m multi-purpose workboat.

## 20m – 24m Steel Multi Role Workboat

Harbour Maintenance – Dive Support – Aquaculture - Support

PDL Marine are proud to present the 22m Multicat. Also available in 20 and 24m.

An exceptional vessel that bats way above its size, suitable for a multitude of tasks such a buoy maintenance, harbour works maintenance and support, survey work and dive support as well as the aquaculture industry.

The vessel can also be fitted with seating for up to 12 personnel for transfers within the superstructure if required.

A huge deck cargo capacity of over 120 tonnes, really does make this a formidable workboat.

Fitted with twin Doosan V158TIH or V222TIH engines helping to push the vessel along and provides bollard pull up to 15 tonnes and more if required., other engines are available.

The vessel is built to MCA category 2 standards and can be built to class.

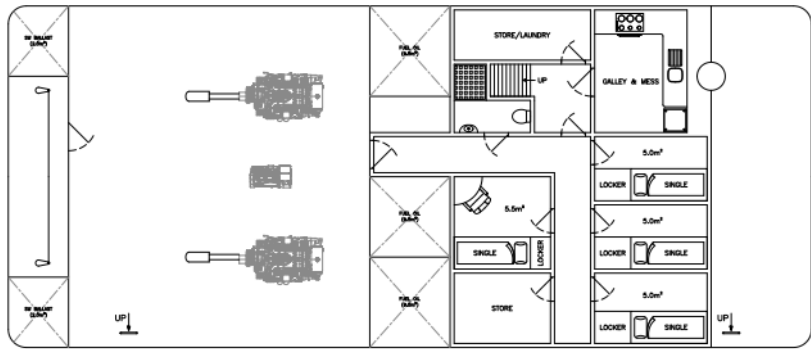

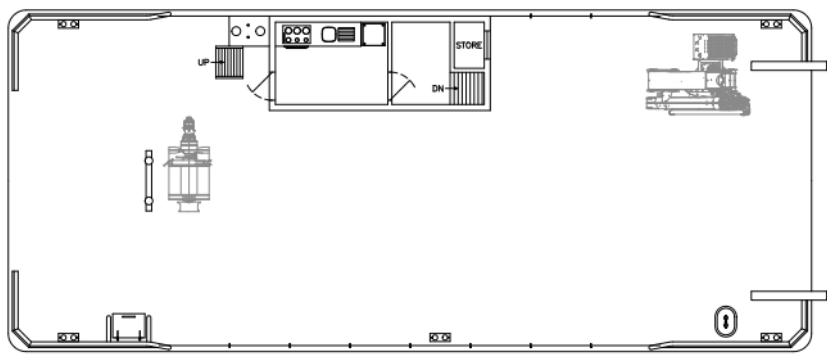

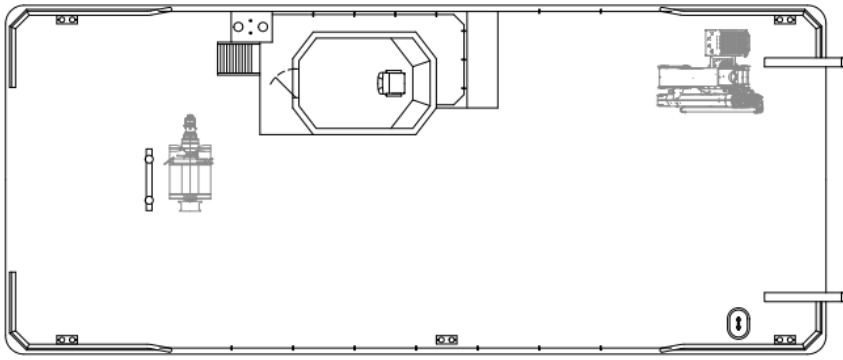

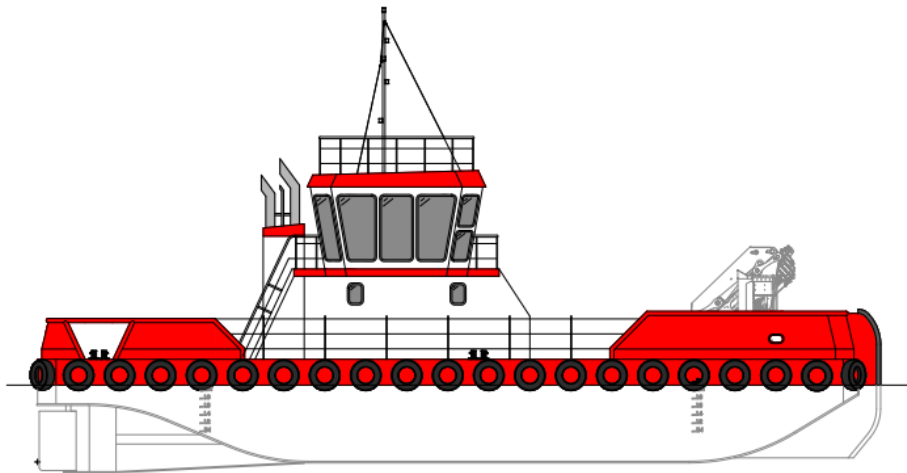

Other equipment includes but not limited to:

Deck winches, Capstans

10T Hydraulic A Frame

Accommodation and Galley available.
